Re: Donald Mack Bennett v. Dr. Bailey, P.A. Rose Dickerson and Westchester County Correction Health Services Inc.  
07 Civ. 7002 (PKC) (THK)

Dear Magistrate Katz:

In correspondence dated June 16<sup>th</sup> 2008, plaintiff Donald Mack Bennett requested that the discovery deadline in the action referenced above, currently set for July 16, 2008 be extended to August 4, 2008, the date of his anticipated release from jail.

The County defendants proffer no opposition to plaintiff's application and await the Court's decision. However, in order to establish a realistic deadline for the completion of discovery, this office requests that the deadline be extended to August 25, 2008, to allow plaintiff time to complete discovery upon his release.

As a result, I am respectfully requesting that the Court extend the discovery deadline until August 25, 2008. Thank you for your consideration in this matter. If you have any questions or need any additional information, please call me at (914) 995-2672.

Very truly yours,
